

Startup India Seed Fund Scheme (SISFS)

❖ Context

- The **Department for Promotion of Industry and Internal Trade (DPIIT)** is undertaking a third-party assessment of the Rs 945-crore Startup India Seed Fund Scheme to see its impact on the ground.

❖ Key Highlights

- **Startup India** was launched by the government on January 16, **2016** to provide capital at various stages of the business cycle of a startup.
- Under this, the government has implemented Fund of Funds and Startup India Seed Fund scheme.

❖ Startup India Seed Fund Scheme (SISFS)

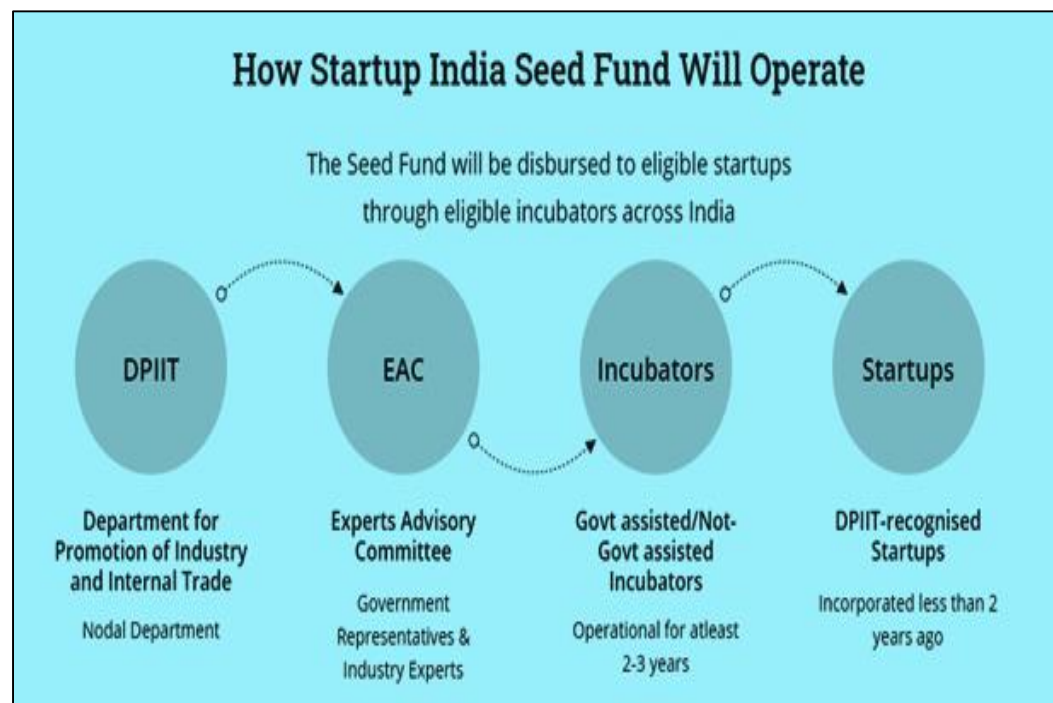

- The Startup India Seed Fund Scheme (SISFS) implemented with effect from 1st April 2021 with a corpus of Rs. 945 crores.
- It was **launched by Department for Promotion of Industry and Internal Trade (DPIIT)** under the **Ministry of Commerce & Industry**.
- **Aim** : To provide **financial assistance** to startups for proof of concept, prototype development, product trials, market entry and commercialization.
- **Time Period** : It has been approved for the period of 4 years starting from 2021-22.

• EAC :

- An Experts Advisory Committee (EAC) has been **constituted by Department for Promotion of Industry and Internal Trade (DPIIT)**.
- It will be responsible for the overall execution and monitoring of the Startup India Seed Fund Scheme.
- The EAC evaluates and **selects incubators** for funds under the Scheme.
- These **incubators thereon select the startups** based on certain parameters outlined in Scheme guidelines.

• Significance :

- The Indian startup ecosystem suffers from capital inadequacy in the seed and 'Proof of Concept' development stage.
- The capital required at this stage often presents a make or break situation for startups with good business ideas.
- This would **enable these startups to graduate to a level where they will be able to raise investments from angel investors** or venture capitalists or seek loans from commercial banks or financial institutions.
- It will **help in creating a robust startup ecosystem** in Tier 2 and 3 regions, as the smaller towns in India are often not provided with appropriate funding.

Twenty Point Programme

❖ Context

- The Indian government succeeded in achieving more than **90% target completion in six out of 14 parameters** under the **Twenty Point Programme**, as per data from the **Ministry of Statistics and Programme Implementation**.
