Government e-Marketplace

Context: In a statement, Union Commerce and Industry Minister Shri Piyush Goyal announced that there has been a remarkable 10x growth in procurement from the Government e-Marketplace (GeM) over the past three years.

- Union Minister Shri Piyush Goyal highlighted a remarkable "10x" growth in procurement from the Government e-Marketplace (GeM) in the last three years.
- The platform has enabled transparency, efficiency, and cost-effectiveness in the procurement process.
- GeM recorded a Gross Merchandise Value (GMV) of ₹2 lakh crore in FY 2022-23, while it has a cumulative GMV of ₹4.29 lakh crore since its inception.
- The total number of transactions on GeM has exceeded 1.54 crore.
- GeM caters to the procurement needs of over 69,000 government buyer organizations.
- The portal features over 11,800+ product categories and over 280+ service categories.
- GeM has resulted in significant savings, with minimum savings on the platform estimated at 10%, equivalent to approximately ₹40,000 crore of public money saved.
- The Ministry of Commerce and Industry is continuously working to improve the GeM system, with plans to develop a more contemporary and modern system with data analytics capabilities.
- TCS has won the contract for running and maintaining the GeM portal.
- GeM organized the 'Kreta-Vikreta Gaura Samman Samarog 2023' to recognize outstanding performance by government buyers and sellers in the GeM procurement process in FY 22-23.
- GeM has over 63,000 government buyer organizations and over 62 lakh sellers and service providers.

Government e-Marketplace (GeM)

- The Government e-Marketplace (GeM) is an online platform introduced by the Ministry of Commerce and Industry, Government of India, in 2016 to simplify the procurement process for goods and services by government departments and organizations.
- GeM is accessible to all government departments, public sector undertakings, autonomous bodies, and other organizations.
- GeM holds the third position globally among similar platforms, trailing behind Singapore's GeBIZ.
- The largest procurement platform worldwide is South Korea's KONEPS.
- GeM aims to enhance transparency, efficiency, and cost-effectiveness in government procurement in India.

GeM 4.0

New Features and Enhancements:

- Timely payment for sellers.
- Advanced search engine with Natural Language Processing (NLP).
- Demand aggregation for consolidated orders.
- Revamped user interface for improved user-friendliness.
- Staggered or flexible delivery options.
- Redesigned bidding module for targeted bidding.
- Integration of advanced technologies like analytics, machine learning, deep learning, and AI.
- Improved grievance redressal mechanism.
- Simplified cataloguing with price variance.
- Enhanced payment options with integration of banks and ERPs.
- Introduction of seller rating for informed decision-making.
- Inclusion of new services and categories.
- Direct interaction between sellers and buyers.
- Dedicated pages for CPSUs (central PSUs).

'Special Assistance to States for Capital Investment 2023-24' Scheme

Context: In the current financial year, the Department of Expenditure, Ministry of Finance, Government of India, has given its approval for capital investment proposals totalling Rs. 56,415 crore across 16 states.

- The Department of Expenditure, Ministry of Finance, Government of India, has approved capital investment projects in diverse sectors, including health, education, irrigation, water supply, power, roads, bridges, and railways.
- Funds have been provided to the states under the scheme to meet the State share of Jal Jeevan Mission and Pradhan Mantri Gram Sadak Yojana, aimed at accelerating projects in these sectors.
- The scheme 'Special Assistance to States for Capital Investment 2023-24' was announced in the Union Budget 2023-24 to provide a boost to capital spending by states.
- The scheme consists of following parts:
 - ✓ Part-I having an allocation of Rs. 1 lakh crore distributed among states based on their share of central taxes & duties.
 - ✓ Part-II sets aside Rs. 3,000 crore for incentives related to scrapping of state government vehicles, waiver of liabilities on old vehicles, tax concessions for scrapping old vehicles, and setting up of automated vehicle testing facilities.
 - ✓ Part-III and Part-IV provide incentives to states for reforms in Urban Planning and Urban Finance, with an allocation of Rs. 15,000 crore for Urban Planning Reforms and Rs. 5,000 crore for incentivizing creditworthiness and financial improvement of Urban Local Bodies.
 - ✓ Part-V focuses on increasing housing stock for police personnel and their families within police stations in urban areas, with an earmarked amount of Rs. 2,000 crore.
 - ✓ Part-VI aims to promote national integration and the concept of "Make in India" through the construction of Unity Malls in each state, with an allocation of Rs. 5,000 crore.
 - ✓ Part-VII provides financial assistance of Rs. 5,000 crore for setting up libraries with digital infrastructure at the Panchayat and Ward level for children and adolescents.
- The scheme for financial assistance to states for capital investment/expenditure was first introduced in 2020-21 in response to the COVID-19 pandemic and has received positive feedback from Chief Ministers and Finance Ministers of states for its simplicity and effectiveness.
- In the previous financial year, under the 'Special Assistance to States for Capital Investment for 2022-23' scheme, capital investment proposals of Rs. 95,147.19 crore were approved and Rs. 81,195.35 crore was released to the states.

	Capital Expenditure	Revenue Expenditure

Kharchi Puja

Context:

The vibrant festival of Kharchi Puja, also known as the 'Festival of 14 Gods,' is currently being celebrated in the northeastern state of Tripura, India

Kharchi Puja:

- The festival takes place during the months of July and August, specifically on the eighth day of the new moon.
- Its name, Kharchi, derives
- rituals from the Tripuri words "Khar" or "Kharta," meaning sin, and "Chi" or "si," meaning cleaning, symbolizing the cleansing of sins.
- Kharchi Puja is held during the month of 'Ashad' on the auspicious day of 'Shukla Ashtami' according to the Hindu calendar.

Worship and Rituals:

- The Royal priest, known as 'Chantai,' conducts the and offerings during Kharchi Puja.
- The primary focus of the puja is the worship of the fourteen Gods, revered as divine entities in Tripura.
- The puja takes place at the Chaturdasha Devata temple premises in old Agartala, where the Fourteen Gods are enshrined.

Places in News The Taiwan Strait

Context:

Recently, India recognizes the strategic significance of the Taiwan Strait and has the potential to play a leading role in facilitating cooperation among Indo-Pacific nations to maintain peace in this vital maritime route

Geographical Location:

The Taiwan Strait is a 180-kilometre-wide strait separating the island of Taiwan and continental Asia. It is part of the South China Sea and connects to the East China Sea to the north.

Significance:

- The Taiwan Strait is a major sea route for shipping and trade in the Indo-Pacific region.
 - The strait is also significant due to the ongoing political tension and dispute between China and Taiwan.
- India's Position:**
- India holds a significant interest in the stability of the Taiwan Strait due to its maritime security concerns and economic ties with the Indo-Pacific region.
 - India has maintained a One China policy but has also sought to enhance cooperation with Taiwan in various sectors including trade, investment, and people-to-people exchanges.

Indo-Pacific Cooperation:

- The Taiwan Strait issue presents an opportunity for Indo-Pacific states to collaborate and ensure peace and stability in the region.
- India, as a key player in the Indo-Pacific, can play a role in promoting dialogue and diplomatic efforts to resolve tensions and maintain peace in the Taiwan Strait.
